STUDENT LIFE

KEEP ON LOVING YOU
 You should've seen by the look
 in my eyes, baby,
 There was something missin'
 You should've known by the tone of
 my voice, maybe,
 But you didn't listen ...

And we're still together.
And I meant every word I said,
When I said that I love you I meant
That I love you forever.

And I'm going to keep on lovin' you
It's the only thing I wanna do.
I don't wanna sleep,
I just wanna keep on lovin' you.

On April 25, Chickie Luehring crowned Terri Tighe queen of the 1981 Junior Prom. A large crowd danced to the music of Time Piece. Ukiah provided the music for the post prom at the Mayville Golf Club. All who attended enjoyed themselves and declared the evening a huge success.

JACQUELINE BERRY

"Students have improved a lot in the last five years as far as their dress, attitudes, and behavior. They are enthusiastic, cooperative and easy to talk to. But I do not like their lack of concern for the feelings of others."

BOB BLAIR

"One of the good things about students today is their ability to accept and respect life styles other than their own and the individual differences of others. But they do seem to lack values, and they don't seem to have a sense of challenge. They want rewards right now."

"I try to treat students as people with feelings, and to give them helpful rather than negative criticism. On the whole, I like students, but it is frustrating trying to keep them listening and discussing topics in class. They all want to talk too often —and listen as little as possible. They have a broad general background in social problems and have a little knowledge about a lot of topics. They are neater in appearance in the last few years."

PAT WITKOWSKI

PAULINE MCALLISTER

"Students are improving lately in academic attitudes and striving for accomplishments in both academic and extra-curricular fields. They are more competitive and willing to work for a good thing. The worst thing about students is their manners, but even that has improved a little in the last few years."

"The distance of halfway around the world doesn't seem so far for me anymore. I found out that what I had heard about America while I was in Thailand didn't really tell me a thing until I came here and experienced it for myself. It took me some time to make myself at home in Mayville, but it was worth it. People gave me love, which made me feel secure and warm, and so I love them."

After months of insanely running around to take pictures, collect information about events, identify people, etc., we have finally produced the 1982 Rocket. There is a lot more work poured into this conglomeration of memories than you could possibly imagine. It is a long, and frequently frustrating process. Without Miss Mack the Rocket probably wouldn't be. She is the one who assigns work, gives us ideas, prods us to meet deadlines, and makes us hustle candy to make up the deficit.

Now that we've given you some notion of how hard we worked to summarize the events of this school year into a book of reflections, we want you to sit back and enjoy it. We hope you will look at it now and reflect on this year with pleasure. We also hope that you will treasure it and decades from now look through it and remember your high school years, the friends you made, the activities you participated in, and the things you learned. If you enjoy and appreciate this Rocket, we will have achieved the goal we set.

Sincerely,

AN OUTSTRETCHED HAND

**EACH OF US WAS MADE BY GOD
AND SOME OF US GREW TALL.
OTHERS STOOD OUT IN THE WIND
THEIR BRANCHES BENT AND FELL.
THOSE OF US WHO WALK IN LIGHT
MUST HELP THE ONES IN DARKNESS UP.
FOR THAT'S WHAT LIFE IS ALL ABOUT
AND LOVE IS ALL THERE IS TO LIFE.**

**EACH OF US WAS MADE BY GOD
BEAUTIFUL IN HIS MIND'S EYE.
THOSE OF US WHO TURNED OUT SOUND
SHOULD LOOK ACROSS OUR SHOULDERS ONCE
AND HELP THE WEAK ONES TO THEIR FEET.**

**IT ONLY TAKES AN OUTSTRETCHED HAND.
